

Ctroniq
Bond XI

Fitness Tracker | IOS and Android

Ctroniq Bond XI fitness tracker lets you monitor your heart rate with the heart rate sensor. This Ctroniq fitness tracker has RGB coloured display with a convenient single point operation touch function Home button. It's ergonomic design makes it extremely comfortable in use and the hypoallergenic IP67 waterproof silicone wrist straps means you can wear it all day without a worry. The Bond XI comes fully equipped with Health Monitors including Blood Pressure, Heart Rate, SpO2 (Blood Oxygen Saturation levels) and Sleep monitoring features. The fitness features include a pedometer (including the total distance covered), Calorie counter and Hydration reminders. Ctroniq Bond XI is a smart activity tracker which has been engineered to provide a hassle-free magnetic charging system; a full charge can be enjoyed for up to 15 days. The SmartKing App (available on Android Play Store and Apple Store) is a convenient way to store all your Activity & Fitness metrics in order to track your Health progress and reach those goals more efficiently. The Calls and SMS/Chat notifications features help you keep informed. The Bond XI comes with an Alarm function as well to help you set interval reminders and lead a more healthy and productive life. Gesture to Selfie, Lift to Wake and Anti-Theft alert
